2.2 Analysis:

Areas of good performance:

1. A low drop-out rate of 0.38% enhances the image of the ITI and signifies the quality of training.
2. An ISO certification (ISO 2001: 2008) for 'Learning Services' ensures adherence to high quality standards.
3. Presence of a well equipped library helps the students enhance their knowledge and ensures that learning is a continuous process.

Areas of improvement:

1. Incremental high end trades can be offered by the institute to provide greater diversity in skillsets.
